2012.02.11 - Prophetic Word

I love you, My children, you are My chosen ones. You are in the centre of My eye, you are in the centre of My will as I have developed everything concerning you. Trust Me for that. I am not only able, I am willing. Because you have given your lives to Me. I control all things concerning you. Nothing, not the smallest thing, escapes My attention. So carry on and complete the race I have set you on. The direction you have taken is from Me, is pleasing to Me even though it does not really make sense. Just be willing, My children, to walk step by step the way I indicate, or even the way you are forced to go, because I am guiding your steps. And accept it that way with joy and with thanksgiving. Let the reality of My love towards you be to you guidance and a consolation when your way goes along paths that you cannot understand. Know, really know, that I love you. And trust Me, really trust Me, not accepting any thoughts of failure, of irresponsibility, of fear, of feeling neglected. Do not allow those thoughts, My children, they are not worthy of you, they are not worthy of Me. I really love you and when you really trust Me there will be no place in your thoughts for thoughts like that. As I have said, I will say again: Be at peace in the sure knowledge of My Fatherhood, the sure knowledge that I am your Lord. I love you. You are on the perfect way that I have planned and am executing. And then I will give you the assurance again that I have called you. Be unto Me the bride the Father has prepared to be joined with Me in glory and in eternal love and joy. That is your destiny. Carry on, step by step till you reach that destiny. It is not far. I love you, says the Lord.

2012.01.26 - Interpretation of tongues

My children, without Me you can do nothing. But know this thing this morning - that I have known all things right from the start, and I have planned all things and all things are under My command and My control. And I certainly do not intend for this world with all its billions to go to hell. I have a plan and a purpose which I am fulfilling also in your life and through your life. My glory shall be seen in all the utmost parts of this earth and My Name shall be in honor and shall be honored by every pair of lips on this earth. What the eye has not seen, the ear has not heard, what cannot be conceived by the human mind have I prepared for those who love Me. I intend, says the Lord, for you to be part of a move of proportions that you cannot imagine and I shall reach everyone on this earth. Do not belittle Me in your thoughts by even thinking I cannot do this thing. But then again we have to wait, you have to wait, till the moment arrives. You cannot bring in a harvest before it is ripe. And I am the Lord of the harvest and I will send you out and send you forth and you shall bring in the sheaves with great rejoicing. Set your minds and your hearts on Me and then also do what your hand finds to do, but wait upon Me, says the Lord, because My glory shall be seen and I shall display it and heaven and earth shall see it and be astounded. But do not despair and do not do your own thing. Wait upon Me and be part of My great move that is coming soon. I love you, says the Lord.

2011.11.19 - Interpretation of tongues

My children, says the Lord, My beloved ones, you whom I have called and chosen and known from before the foundation of the world, you whom I have made for Myself, I have created you, I've formed you that you might be and shall be My bride, beautiful to Me, the perfect work of My hands, the ultimate of My creation. And My beloved ones, if you go through difficult times then know that I know it, and even know that I have designed those times for you, it is part and parcel of My creation, of My work in you. When I have brought you to Myself then shall I explain all these things to you, then shall you understand everything. Until then, My beloved ones, what I ask from you is to be still, to trust Me, to keep your faith in Me strong, to wait upon Me. Always wait for My time and do not try to enforce your own time and your own plans on Me. I will guide you with My hand. I will never leave you and I will never, never forsake you into the hands of the enemy. You are being protected by My mighty angels, says the Lord. Every one of you is special in My sight. You are known in the heavens. Rejoice! Rejoice because you have been chosen. Rejoice because you are Mine. Rejoice because the day of salvation is so close at hand. So lift up your heads, lift up your hearts and reach out unto the heavens that you be united to Me in all fullness. I have brought you thus far, says the Lord. I shall never leave you halfway. I shall take you by the hand and I will most certainly see to it that you finish this race in

victory, because I have chosen you and I have decided this. So My children, take note. Take note of My attitude towards you. Take note of My presence with you. You need not feel My presence, but My presence is with you as I have promised it. You need not feel as if you will succeed in this race, you may know that I am causing you to succeed. So seek Me, seek My face, seek My presence, live in it and rejoice because the day of salvation is at hand, says the Lord.

2011.10.15 - Interpretation of tongues

I am the living God and thus I see you every second and am I with you always. I know every thought of your heart. I know every desire of your heart. And by My Spirit I've been working on your heart for years and years to cleanse it, to create within you a new and a perfect creature - My bride - lovely to behold. You need to trust Me fully, completely. You need to really enter into rest because I, the Living God, know you. I know you are Mine, I know what price I've paid for you, I have known you from before the foundation of the world. It pleases Me when you have rest in Me, it does not please Me when you are full of anxiety as if I do not know you, as if I do not care, as if I am not with you, as if I am incapable to protect you, to keep you. I shall keep you standing, I have promised that. I shall hold your hand as I lead you over the finishing line, I have promised you that. Have peace in Me, be quiet in My presence. Drink in the fact that I see you. I, the Almighty Creator of all things, I see you every second. Drink in that fact. I see what you do, I know what you think every second. Drink in that fact. I love you. I have told you that many, many times and I change not. Love is My nature, so count on My love, depend upon it. I do not love you because you deserve it, I love you because I am love. The problem is not in Me not giving love to you, the problem is you not receiving My love. So learn to be quiet in My presence. Learn to let all your anxieties rest in Me and wait upon Me. For you know, because My Spirit has made it known unto you, that I have great plans ahead. So do not lose heart, do not lose vision. Look at Me and wait for Me. The day of your release is at hand. Wait upon Me, says the Lord.

2011.06.11 - Interpretation of tongues

Most certainly, says the Lord, most certainly am I coming to you. Most certainly am I coming to fetch you, because I've bought you, I've made you, I've chosen you, I've paid a great price for you. You are precious to Me. You are not forgotten in the least. You are most certainly in the apple of My eye. I see you every second and I know you through and through, and I know what plans I have for you. And I can tell you, as My Spirit has been making clear to you for a long time, that My coming is most certainly at hand - not years from now, not months from now, but closer than that. I've been preparing you, I've been grooming you, I've been testing you, even been sifting you. I will keep on guarding you. I will keep on caring for you. I will keep on protecting you because you are Mine, and Satan shall not steal you away. And I shall keep you until that day that I come to fetch you. You are the ones who have stayed with Me. You are the ones who really expect Me to come. You are the ones who really long for My coming and therefore you shall be ready when I come. So do not lose hope My children, and do not lose vision. I am with you and I shall be with you. Do not fear any attacks from Satan. Do not fear the conditions you see around you developing, but look up and know that your redemption draws near. See I have made these things clear unto you and I shall fulfill not only this word but every word I have spoken concerning you. And My glory shall be above all the earth. So keep hope and keep waiting and you shall be part of My great victory, says the Lord.

2011.02.19 - Prophetic Word

I am the Lord, thy God. I am the One who have made you. I have made you as My own - as My own whom I love and cherish, whom I have loved and cherished from before the foundation of the earth and whom I have loved and will cherish until all time, until eternity. I am the Lord, thy God who is with you, who will never forsake you, who will never leave you, who will never neglect you, who will never carelessly push you into a corner and forget about you. I am the Lord, your God, who never forgets anything, who always knows all things. And I am the Lord thy God. You are Mine. You are precious to Me. You have I chosen to be Mine unto all eternity. You have I called as My bride, to be in the most intimate fellowship with Me. I have taken

you and brought you thus far, I have groomed you and I have tested you, I have fashioned you for My own purposes and for My own glory and for My own joy. You are beautiful to Me, says the Lord. Do not forget these things. Do not look at other Christians, do not look at other people and let not your mind dictate what you believe. Let My word dictate what you believe. Let not your senses tell you the truth because it cannot.

I am truth and I am way above your senses. My ways are higher than your ways, My thoughts than your thoughts. Do not try to understand My thoughts, do not try to understand My ways, but trust Me and wait patiently for Me. I am God, I decide the time and the season. I decide the action, because I know what is necessary. But know that I decide these things in My love and with My love for you. I do not neglect you, because I have other plans. You are so integral in all My plans and nothing can describe the reality of this, because it is a spiritual reality. But receive this and wait then patiently on Me, because I am God and I will decide. And I will decide good not bad, because I have good plans for you not bad plans. The time is short. But even so, wait patiently until I come, says the Lord, because I am coming for you. I have made you for this. I am coming for you! Be ready, says the Lord.

2010.11.06 - Interpretation of tongues

I am the Lord your God. I am the One who has made all things, and I have made you for Me. And because you are Mine I say again and I say again and I say again that you may receive this word - that I truly do love you, that I truly do care for you, that I truly do know your every action, your every word, your every thought.

Walk by faith, My children, and not by feelings. Walk by faith and not by the rational reasonings of your minds. My saints have through all the years done things incomprehensible to the human mind. I do not expect anything less from you. And I do ask from you to trust Me, to really trust Me. To trust Me when you can understand what is happening is no real trust. I ask from you to trust Me when things do not make sense. I ask from you to trust Me when you do not feel My presence. But I promise that you shall have My word. So listen when I speak, for I speak in many different ways. And remember My word, all My words to you. Write it down, read it often, remember it and live by it. You cannot live by the ecstasy of the moment, or by the despondency of the moment. My requirement from you is to live by My word. My words will be like a rock, it shall not move to and fro. My children, the one word in these moments that I give you is that I shall take you by the hand and that I shall lead you through to the finishing line. What I require from you is to persevere and to wait upon Me and to trust Me with your life, especially in these times. Again I say, receive the love I have for you. For by being filled with My love for you shall you be filled with love for those around you. It can never work the other way round. You will first have to receive My love before you can give and offer real love to others. You first have to come to Me to receive My life, and let My life flow into you and through you, and then it shall become life to others around you. So receive My life. Do not just know about it, but receive it. Receive My grace, receive My promises, receive My presence and live by it, says your Lord. I love you! I do not say this without reason again and again. I say it with the fullest intent that you shall live by it.

2010.10.16 - Interpretation of tongues

I have indeed chosen you from before the foundation of the world to be Mine. I have indeed called you to be Mine in its highest form and that is to be My bride. I do not ask from you to understand it all and certainly I do not ask from you to deserve it. I ask from you to rejoice in it. I ask from you to have the greatest peace in the fact that your eternal future is hidden up in Me. I look on you with the greatest of favour. And when I favour someone it quite often results in tribulation, but there is not a single thing that you shall ever give up on this earth that I will not recompense abundantly. And all the tribulation that you experience are really signs of My favour. But do not fear that I will do wrongly by you. And never think that when I look on you with favour that that will result in the world and even in your brethren looking upon you with favour. Do not imagine that if I have chosen you to be My own that I will flaunt you before the world and that you will be the greatest, the biggest in this world. On the contrary, My children, whom I choose to be Mine I quite often make small in this world. You can look at My servants Paul, Peter, John - were they great in this world? No. They could have been great on their own. But are they great in My eyes? Yes, because I have chosen them as My special people, My special envoys. And in this way have I chosen you and have I made it known unto you

that I have chosen you to be part of My final army, to be part of the harvesters of the final age. I have not chosen you to be great and to be seen in this present world. So wait upon Me till I have fulfilled everyone of My promises . My calling upon you is sure and steadfast and it shall surely come to full fruition. The zeal of the Lord of hosts will do this thing, says your God and your Lord.

2010.08.07 - Interpretation of tongues

With all of My being, says the Lord, with all of who I am, with all My love, with all My almighty power am I reaching out to you and have I been reaching out to you and will I envelop you unto all eternity, says the Lord.

You are truly covered by My grace and My mercy. I truly know how many hairs are on your head. Do not underestimate My power and do not underestimate the joy I have with you. Do not underestimate the greatness of My calling that I have for you. Know that I am truly able to know of every single swallow that falls to the ground, know that I am also able to even stop that and know that I will. Because when the perfection of My creation comes into being death shall be swallowed up by life and all the harshness of this present nature shall disappear. I am leading you onwards step by step, day by day on a path known by Me, not known by you, not understood by you, but it is known by Me and it is understood by Me - the path of creation to create in you My bride, to create in you eternal joy for which My son, Jesus, died on the cross. Knowing the great, great price My son has paid for you, understand a little bit of the value you have in My eyes.

Understand the seriousness of the path I walk with you. I shall not relent from it, I shall not relent from doing what is necessary to be done. And everything I do is done in love and has that eternal and great calling and purpose in mind. So follow the road I open up to you. Do not question My good intentions towards you.

Do not think that I enjoy allowing difficult things in your lives. Do not expect that I will make everything difficult for you in the future. Trust Me, not only as your loving, caring Father but also as your Creator who is creating you, forming you, molding you into the perfect bride for My son, Jesus. Allow Me to do the work. If you should rebel, if you should start distrusting Me in My ways with you, you shall lose what I had in mind for you. You can never deserve what I am giving you, but you can cast it aside. Do not do that. And

therefore do I give you all these words, and therefore I go to great lengths to show you, to tell you, to coax you to carry on and to trust Me in all circumstances. Let Me finish the work I have started in you. I have everything in hand. And even this whole wide world with all its futility and pain and death is just temporary. I shall change all that. But it is in this world of toil and suffering and death that I am forming My bride. It is in these adverse circumstances that I am creating the beautiful thing. O My children, I encourage you again and I give you the hope and the future which not only is wonderful, but which is not that far ahead. I

want you to focus on Me and to focus on every step in the road whilst knowing that there is a great and wonderful calling awaiting you. Do not focus on any shortcut to the endpoint. I shall not be too late in coming. I shall not act wrongly by you. I love you. I said it many times and I shall not stop saying it. I love you, and I am love. So have no fear and no trepidation. Be still and quiet in Me and look and see what I will do, and look and expect wonderful surprises awaiting you. Do not anticipate what I am going to do next, but expect and know that I am going to do good things day by day, with you, through you, in you, because I love you dearly, says the Lord.

2010.07.31 - Interpretation of tongues

Behold, says the Lord, I have good plans with you. I've had those plans from before the foundation of the world. The same way I have decided to create birds and reindeer and cows and tortoises, the same way I have decided to create ducks and swans, the same way have I decided to create in you My bride. And from the beginning unto the end has this been My design for you, with you, in you. And so many times have I expressed My love towards you, My favour towards you, My special joy with you. And yes, you cannot see what I can see and therefore oftentimes you reject yourself and sometimes you even reject My words towards you because you cannot really equate with the greatness of what I have made known unto you, what I plan to do with you, through you, in you. But above all I plan for you to be Mine, just Mine, forever. Take these words as encouragement. Do not look at what you see, but listen to My words towards you, listen when I tell you that you are My bride. Listen when I tell you that I have good plans with you, listen and receive when I tell you that I love you and that I care for you and that I am with you always. So be at peace and be

joyful for My planning is perfect and My timing is perfect because I know the end from the beginning and I shall not be late in coming. I shall not be late in receiving you to Myself. And if you let Me, I shall not come for an unfinished product. So this once again I tell you that I love you. Wait for Me, says the Lord.

2010.07.24 - Interpretation of tongues

I am with you as I have promised you, says the Lord. I am with you and I shall never leave you. I have planned your life from the start to the finish. And I have good plans for you. If you trust Me it is My plans that will fulfill in your life. If you distrust Me then shall My plans not come to fulfillment. Therefore I beseech you to put your trust in Me, to set your heart on Me, to turn your eyes toward Me, to relinquish your life unto Me, to allow Me to work out your life, your circumstances the way I know to be the best. Do not insist on having things your way. Your way is the way of the flesh and it leads to death. I have told you in My word that as high as the heavens are above the earth so high are My thoughts above your thoughts and My ways above your ways. My children, you cannot understand My ways, you simply need to trust. And if your expectations are way different of what the reality eventually is, then trust Me to keep you, then trust Me to create within you the correct expectation, then trust Me to use within you those expectations you have, trust Me to let all things work together for good, for your good. But know this: that I am never playing games with you and though you might become confused, and though you might come into an emotional turmoil, I use these things, says the Lord. So trust Me, My children, and wait upon Me right unto the end. And I shall lead you into glory, because that is what I destined you for - not glory on this earth, but eternal glory. I love you.

2010.06.19 - Interpretation of tongues

For you are My hidden ones, says the Lord. You have I called, have I chosen, have I groomed to be My special people. For years and years yet have I made known unto you My calling and the joy of My Kingdom, and am I still, even at this moment, assuring you of the joy that lies ahead, am I encouraging you to keep your eyes focused on the glory that lies ahead. Do not lose hope and do not lose faith in what I have made known unto you up to this point. Just because things did not work out the way you thought it would does not imply that I told you lies. I am with you. I am the God of truth and of love and of faithfulness. I shall perform My every word in your midst. I shall not hand you over to the world or to Satan. You are Mine. And I intend to supernaturally protect you every step of the way, and I intend to transfer you into My presence, into My very presence for eternity. This I have made known unto you and I change not. So keep hope and keep up your faith in Me, and in My word, and in what I have made known unto you even through visions and dreams. And wait upon Me day by day. You need not understand how things will happen, you just need to understand that it shall happen. You need not know the times and the seasons, but you can know and you should know that My word is true and that what I've said shall come to pass. And you should also know that I am aware of the limitations on your side. I know your weaknesses. I do not plan to crush you, I plan to lift you up. I've never promised that I would give you a bed of roses in this world for you need to go through trials and tribulations. But I am there with you and I shall always be with you in them and through them. And I do not allow any trial or any tribulation on you apart from My total dedicated love and care and tenderness. The time is short, maybe shorter than you think. But enjoy every day, walking with Me, seeing what I do. Do not fear. Your destiny at My side has been determined. Take My hand and follow the way I'm leading. Rather than worrying about the future, enjoy your present. And I shall guide you and I shall protect you, and I shall provide for you every step of the way until you reach your destiny. So forsake every preconceived idea as to what, and when, and where and how I am coming, and just know that I will come and the glory of it shall be greater than anything you could have imagined. So glory awaits you, My children. And even enjoy being My hidden ones. I do not yet put you on a pedestal. It is not My intention for the world to know about you. You are Mine. And once I have taken you to glory, yes you shall be with Me in glory forever. And glory and being well-known is not your calling on this earth. Your calling here is to know Me, to trust Me, to really trust Me, to love Me and to obey Me in whatever I tell you to do. I love you, says the Lord.

2010.05.22 - Interpretation of tongues

My blessed and beloved children, I am looking upon you with favour and with joy and with love - the same complete love with which I was willing to sacrifice Myself on the cross. Never, ever despair of My ways with you. Never, ever doubt My love for you. You have become Mine, I have become yours. My being is dedicated to you to bring you to fulfillment, a total integral part of My whole creation, with you in the center of My glory, with Me to all eternity. Do not therefore look at yourselves as you see yourselves now, but look at Me, says the Lord. Drink in this love and favour that I have towards you, knowing that I, even I, have deserved on your behalf whatever you need. I left nothing to you to deserve, except for you to receive My favour I give you. So never, ever reject what I promise you, what I want to give you, because I will not force it on you. So simply come in My presence, live in My presence, live in My complete acceptance of you. I want you, My children, to dedicate your lives. I want you to live for Me, not in order to deserve but because I want it. I want you to give to Me. I want it. I do not want you to live your lives in order to get something. I am about to give you all things, to keep nothing back. So just bow to My ways and know I am in complete control. And know that nothing happens to you accidentally. It is your choice to turn your face towards Me, it's your choice to receive My grace and My favour and My love. It's your choice to live for Me always. My promises shall not fail. And what I present to you I shall not take back. My desire for you is to enter My fullness for I have already deserved it for you, I have already given it to you. Enter it by choosing and living for it. I shall guide you all the way, right through to the end, says the Lord. Do not despair. Do not decide from your side what I should do or not do, but live towards Me in this attitude of being loved, being My favoured ones. Receive it and live for Me because that is My desire. I love you, says the Lord. Keep holding on and keep looking up, expecting Me to come at any second. I am coming to you. I am coming to fetch you to Me. Do not despair of it. In the end you shall see the perfect plan that has been designed on your behalf, says the Lord.

2010.04.10 - Sa.Fellowship - Profetiese woord

. . . Ek vat julle deur storms en deur die vuur, maar dis die einde wat saak maak. Hou goeie moed. Kyk op na My en Ek sal vir julle krag gee, al is dit net vir die volgende stap, al is dit net krag om op te staan, al is dit net krag om die dag te maak. Sit julle fokus op My en op My alleen. Laat alles wat binne julle is, alles op My gerig wees. Ek weet wat Ek doen. Ek skryf 'n hoofstuk, 'n bladsy, 'n sin in elkeen van julle se lewe. En uit julle uit sal daar 'n lewendige getuie kom, 'n lewendige woord, maar wees bereid om 'n lewendige offer te wees. Al word julle daaglik gekruisig, daar's oorwinning na die kruis en dis die ware oorwinning waarheen Ek julle wil vat. Ek sal met julle wees hier in die wêreld. Laat julle lig skyn orals waar julle gaan. Straal My lig uit. Kry julle krag en julle energie en julle bron van My. Wend julleself na My toe en Ek sal julle beskerm. Ek sal julle behoed en bewaar. Let op julle pad, die pad wat julle geloop het. Ek was te alle tye by julle. Ek het julle behoed en Ek het julle bewaar. En elke prys en elke opoffering wat Ek van julle verlang, sien dit binne konteks van ewigheid. My vergoeding sal vir ewig vir julle wees. Vir ewig sal julle vergoed word vir wat julle tydelik opoffer en vir wat julle nou neerlê. En selfs dit wat Ek vir julle op die aarde gee, geniet dit. Geniet dit wat Ek selfs vir julle nou geskape het, hetsy My natuur, ja selfs die fisiese wat Ek aan julle gee. Geniet elke oomblik. Wees dankbaar in alles, klein of groot, want dit kom uit 'n Vaderhart vir julle. Dit is wat Ek vir julle wil gee. Koester alles wat Ek vir julle gee. Soek, soek My Koninkryk al betaal julle 'n prys daarvoor. Soek dit en uit julle uit sal suiwer waters vloei wat verfrissend sal wees vir julle en vir die mense om julle. En soos Ek julle meer suiwer, hetsy as persoon, hetsy as 'n groep, laat Ek die proses voltooi. Laat Ek klaar maak, laat Ek in julle werk. Gee julleself oor aan My, heeltemal. Moenie terughou nie. Gee oor, want by My stry julle die ware stryd. En al word julle vervolgd en al ly julle vir My Naam is dit soveel meer die moeite werd as wat julle vir die wêreld sal ly. Wees My slaaf en nie die wêreld s'n nie. Wees My dienskneg en nie die wêreld s'n nie. Wees My arbeider, en Ek is die bron van alles, in die fisiese en in die geestelike. Laat Ek julle toerus, laat Ek julle beklee. Staan vas in My. Ek sal julle bene versterk. Ek sal vir julle energie gee. Ek sal julle toerus. Laat My toe om die finale skepping in alles in julle lewe KLAAR TE MAAK.

2010.04.10 - Interpretation of tongues

And behold, says the Lord, have I not called you to be My very own? Have I not personally chosen each one of you? Have I not groomed you, formed you, planned your life from the start? Nothing, My children, happens to you as a chance factor. I am God. I know the number of your hairs, and truly, not one hair shall fall on the earth needlessly. Not one hair shall be lost, everyone shall be recompensed. My love for you has been from ever and shall be forever. There is not one second in which I lose sight of you, My children. Live by faith, not by feelings. Receive My word that I speak unto you, that I have spoken unto you through the years even. And remember and know that My word has not changed. Every word I speak shall be done, unless you reject it. So receive My word. Receive the seed of My word that I have sown. Let it be life unto you, let it grow, let it bear fruit. And as I have spoken unto you through the years I directed you, I led you, I guided you, and I am still doing it and I shall do it unto the end. So have peace in your circumstances. Look at My word I have spoken and not at the circumstances. If you believe My word you shall walk on water. If you believe My word the crows shall feed you if necessary. If you receive My love towards you no matter what your mind and your eyes and your circumstances tell you, that pleases Me. Anybody can believe when things are easy, or anybody can think that he believes. But I am testing your faith and I have been testing it all through the years. So receive it that I do this to My loved ones, not to My enemies, because I have great plans with you. And gold has to be melted, gold has to be formed, gold has to be hammered, gold has to be stretched to become something beautiful to behold. And that's what I'm doing with you, making of your life something beautiful for Me. So receive your circumstances with joy, not with fear. I am with you and I shall be with you in whatever might happen. No storm is big enough to take you out of My hands. It does not matter how high the waves will be, you shall walk on those waves, and the higher they are the higher you shall walk. So just bow before My Kingship in your lives and just love Me and just trust Me. And do not fear, I shall never test you above what you are able to bear, that I promise. I love you, My children. Peace to you, says the Lord.

2010.01.09 - Interpretation of tongues

I have called you, says the Lord, as a holy people unto Myself and I have undertaken to make you holy. I have undertaken to do everything on your behalf, things I know that you cannot do by yourself. I have loved you, says the Lord, long before you were born, and forever shall I love you because I have given you eternal life together with Myself. And I have led you as a group and have been leading you for a long, long time. I have gathered you together because I have a holy purpose with you, and I have guided you and taught you along the way and I have not brought you to a point of nothing, I am bringing you to the point of the greatest glory there is for man. And therefore My word to you is to persevere and to rejoice in anticipation of what is to come. My word to you is to seek My face constantly, not even once or twice a day but constantly, to live in My presence and to start feeling the joy that is filling heaven at this moment, to live in the joy that is to come and to have a sure tread and enthusiasm and energy along the way because of the joy that is set before you. Do not look at the world with its problems, with its darkness, with its unrighteousness, with its pain. Do not fill your mind with bad thoughts, fill your mind with good thoughts. Ponder and meditate on what is praiseworthy and noble and good. Set your mind on things above, not on things on the earth. And as you walk this way simply following Me the way I dictate, the way I often force you along a certain path - as you follow this way you shall reach your destination safely because I am with you and I shall complete holiness with you and in you, and I shall perfectly finish what I have started with you. There are not that many paces left, My beloved. So keep on day by day until I come. I love you, says the Lord.

Behold, says the Lord, the door is open and the time is at hand. I have brought you a long way and I have brought you to this point. I led you all the way not to forsake you at this stage, but to lead you through and to bring you into My glory. All the tests of faith, of endurance, of patience shall not last forever. This I tell you,

that the door is open and the time is at hand. Any second, any day I shall call you upwards into My glory. Stay with Me. Keep trusting and keep looking up. I am your God, I am your Savior, I am your King, I am your Caretaker, I am your Protector, your Guide. I have been that and I shall be that until the end, says the Lord your God.

26.09.2009 - Interpretation of tongues

Forever, says the Lord, is My timescale. The way man is at the moment, your timescales are for now, for this second, and your plans are like that, and your thoughts are like that. But My timescale and My thoughts for you are forever. Very soon shall you know the meaning of forever. Very soon shall you enter the fullness and not understand only in part anymore, but you shall understand in full, says the Lord. I am your God, I am your

Savior and I save to the uttermost. I save in all regards. My love for you is comprehensive, it entails everything. My love for you is great enough to allow suffering in your life. And again you cannot understand it thinking in the now, but you can once the knowledge of forever has been made known to you. Great is the reward awaiting you if you persevere in My way, if you persevere in just being available, if you let Me have My way with you all the way, if you wait and abide My time. Great shall be your reward if you are willing to do things you do not understand because you simply trust Me. I have great joy in your trust in Me. I desire for you to trust Me and yes, I do test your trust, but I shall not test you in order to break you. I shall test you in order to make you strong and to build you up in your relationship with Me. Therefore whatever happened in the future, whether it be a few days or a few months you won't know, use these last few moments to really just turn yourselves completely unto Me, to really seek Me with all your heart, to really trust Me completely. The greater trust is not for the material things, but it is for the spiritual and for the eternal. Use your time and your opportunities to really be sure that you not only have oil in your lamps, but in your vessels as well, that you shall be filled with My oil, with My love, with love for Me. Keep faith in My dealings with you, that you shall be empty of yourselves and the purpose of your lives shall not be what you desire, but what I desire.

Prepare yourselves for the greatest calling there is - to be Mine completely, utterly, fully - with no holding back anything, to be Mine. That is My greatest desire for you. That is your destiny. If you are willing to trust Me in that fashion then it shall be. I love you, says the Lord. I love you forever.

2009.08.22 - Prophetic Word

Long before you knew Me I have known you. Long before you loved Me I have loved you. Long before you gave your life to Me I have given My life for you. I have known you from the beginning, from before there was time. And those who have become Mine, you shall be Mine until there is no time. For eternity shall you be with

Me, next to Me, together with Me. I call you into My Kingdom, I call into My fellowship, I call you into My eternal and perfect love and care and friendship and joy and peace and grace and mercy. I have selected you, I have groomed you and I am busy finishing what I have started. So have no fear, have no trepidation, have no uncertainty as to your standing in My eyes, in My sight, in Me. Receive it, simply receive it. Receive the grace I want to bestow upon you. Receive the perfection of My salvation I have prepared and accomplished for you. I do not need your performance. I do not need great things and great deeds from you. What I want from you is pure unadulterated love. What I want from you is to open your arms wide and to receive My grace. And I

want to assure you tonight, My children, that it is true - I know how many hairs are on your head, I know everything that happens to you. Nothing is wasted, nothing will be wrong, but you need to turn to Me and you need to put your trust and to keep your trust in Me. And know then also that I give you the consolation that I, even I, shall eradicate all evil on this earth. I shall bring in My righteousness and My Kingdom, and the meek shall inherit the earth and there shall be an abundance of peace and joy. And the scepter of My Kingdom is a scepter of righteousness. So do not fret yourself because of evildoers for their time is short, and I see all things. Leave it with Me, for vengeance is Mine, says the Lord. I love you.

2009.06.20 - Interpretation of Tongues

You are Mine, says the Lord. It is you whom I have chosen even before the foundation of the world. It is you whom I have made Mine. I have called you in holiness. I have foreordained you to be children of God. I have sanctified you in My blood. I have written My Name on you and I shall glorify you in due time and I shall never, never forget those who are Mine. You are ever before Me. In the smallest detail of your lives you are before Me. In the deepest thoughts of your heart you are before Me. I know you. I also know your fears, your anxieties. I also know your hopes and your dreams. I am not impervious to your needs and desires, and yet in your lives I shall be God and I shall be in control and not you. And this is not done for any other reason but out of the love of My heart towards you. And in due course, when you are with Me in glory, shall you see all things and shall you understand all things. Until then, My children, you cannot. I have not equipped you with a brain and with the possibility of understanding spiritual things. You have to simply believe and to simply carry on believing. You have to simply know and clearly know who I am in your lives and live accordingly. You have to know My character and you have to stake your life upon the truth and on the faithfulness of who I am. Nothing less will really satisfy Me. Allow Me to finish the work that I have started. Persevere until the end. Relinquish control of your lives and keep on doing that. Trust Me in this thing. Trust Me in all things in your life, that I shall perfect everything that concerns you, because I have chosen you, because I have known you from the beginning and because I have an eternal inheritance for you. I have eternal plans for you. I have eternal joy with you. And I want you to be overcomers. I want you to be there as My bride when I come to fetch you. I want you to be awake, wide awake, eagerly awaiting Me. This is why I have said this so many times and so clearly in My word. So take heed to this and never judge it lightly. If I have said again and again and again: 'Be watchful, be awake lest I come suddenly and find you sleeping' - it is a serious word, My children. So listen and do that and I shall be with you. There is not a single thing in your lives in which I shall not be there to keep you, to protect you, to provide for you, to do all things necessary so that you shall be Mine in glory forever. I love you, says the Lord.

2009.02.28 - Prophetic Word

Indeed I am pleased with you, says the Lord. Indeed I am well pleased with you. I love the yearning of your heart for in it I see reflected My own yearning. But not for long, says the Lord. Not for long - then we will be united in full. Take heart, says the Lord, for the time is at hand.

2009.02.21 - Interpretation of tongues

Have I not told you so many times that you are not to fear, that you are not to look in trepidation at the world and its affairs, that you are not to concern yourself about this world and its falling apart; that your eyes and your mind - the focus of your being must be upon Me, upon My coming Kingdom, My coming glory, My victory that has already been assured on the cross. So command yourself, do not look at this world, do not be concerned about it. That is My concern. But you be concerned with Me and with My coming that is very near. Forsake those efforts to understand or to try to understand. Forsake all those own opinions and ideas as to what should happen and what should not happen, as to when should it happen and when not. Be still and know that I am God and I shall be exalted in this earth, and I shall be exalted among the nations, and I shall be exalted in your lives. And I shall glorify and bring to pass every word I've spoken. So be at peace in the knowledge, in this one knowledge - that I am God and that I love you and that I am with you and that I understand you, and I know all things about you and nothing you can do today can catch Me be surprise because I've known about it already long ago. I know all things from the beginning. And having known all things I have chosen you and made you Mine, taken delight in you. I am still taking delight in you. So be like clay in My hands and let Me bring you into the glory of My Kingdom. Let Me bring you into the glory and the joy of My presence. I shall do it. The time is at hand, says the Lord.

2009.01.24 - Interpretation of tongues

Unto freedom have I called you, My children, My own. Freedom only I can give. Freedom from the stranglehold of the world, of the flesh, of sin, of death, of illness, of iniquity, of foolishness, of pride, of prejudice. Freedom, complete freedom in Me, to walk in love, to walk in peace, in joy, in longsuffering, in kindness, in goodness, in freedom of My Spirit. Not the bondages of law, not the bondages of prescriptions, of condemnation. Not the bondages of being good enough and to remain good enough. Not the bondages of people around you judging and you listening to that. Listen to Me. Look at Me. I am the way and the truth and the life. In Me there is freedom, in Me there is forgiveness. In My there is understanding. Raise your soul to Me. Be fed by Me. In all circumstances ask My opinion, not the opinion of man. And know that I hold the future. I determine your future. I will protect you and I will keep you. I will never forget about you. I will never be busy elsewhere leaving you on your own. I am there for you. In these days especially, I am there for you. So reach out and touch Me. Reach out in faith and seek My will, seek My face, seek My opinion. And know that My dealings towards you are grace. It does not consist of loads upon loads of responsibilities, and of being something, of being better, of being good enough. Instead it is an openness of faith in receiving My grace towards you. I have grace enough. Receive it and let your attitude towards Me not be to be good enough, but let it be a love that transcends your own requirements. Just love Me with what you have. I desire your love. I desire your hearts to be tuned to Me, and then you shall walk in the freedom that I give you. And My children, the freedom I have for you up ahead, is so great that your minds cannot conceive it. And therefore I also tell you, so that you can rejoice, and that your joy may be full. So look towards Me and receive My freedom, not My bondage, and be joyful in Me knowing that great, great things are awaiting you just around the corner. I love you and I care deeply for you. Remember that, says the Lord.

2008.12.06 - Interpretation of tongues

Oh My children, says the Lord, have I not ever been to you a Father who really cares? Who protects, who guides and who loves you no matter what you ever did? And I have brought you thus far, says the Lord, and I will take you through to the end. I will not leave you now. I will be true to My nature. I will do what I know has to be done. But not one of you need to fear that I will leave you on your own. Not one need to fear that I will abandon you to your own designs, to your own wisdom, to your own worth. That's why I sent My Son, to be in your stead what you can never be. I have loved you with an everlasting love, and thus will I love you forever. I have purposed you, My children, for the greatest calling that man can envisage. And I am sending you the message that I am sending My Son to fetch you, His Bride. Lift up your eyes, see that your redemption draws nigh. Abandon all fear. Abandon everything within you that tend to look at yourselves, that tend to evaluate your worth to Me. You cannot evaluate it. Your worth for Me was enough for My Son to die on the cross, you cannot evaluate the value of that. Just accept My love. Just accept your standing in My eyes. Just accept that you are favoured ones in the eyes of the Almighty, and cling to Me. Put all your trust and all your faith and all your hope in Me and in the completed work of My Son. And receive the peace of the knowledge of your future in Jesus. I love you more than any father can ever love and I always will, says the Lord.

2008.10.11 - Prophetic Word

My people shall indeed see Me face to face. You are My people and this is your inheritance, this is your future, this is your joy. And for the joy set before Him My Son has endured the cross. For the joy set before you endure your road on earth. Be quiet in My presence. Be filled with the joy that awaits you. Wait upon Me in stillness, setting your own ideas, your own timescales aside. Just be willing to be truly led by My Spirit. Just be willing for Me to do with you and unto you and through you whatever I want to. Set aside the need to understand. But understand this and know this: that I am your God, I am the God Who created all things, I am the Almighty, the God of Abraham, Isaac and Jacob, the God of Israel, and I am your God. And

know that I am on your side. And know that all things done unto you is done in love, is done for your benefit. And also know and understand this: your future is secure in Me. Never walk away from Me, just cling to Me and in all things giving thanks unto Me. And in that way shall you assure your full inheritance, by counting it all joy, even when things go badly. And thus I encourage you and I beseech you to just cling to Me and cling to the knowledge of My love for you. Know that nothing - absolutely nothing - will happen unto you apart from Me. Not a hair of your head shall be lost, says the Lord.

Stop nagging Me about **when**, but rejoice **that** I am coming for you soon.

You manifest pure love when you long for My presence
more than you long to be out of this world.

You can choose to praise and thank God continually for who He is and soar,
or look at your circumstances and wallow in selfpity and sink.

Before you know it the time will come and in a moment you will be changed
and you will see Me face to face.

Ruthlessly expel every thought which does not honour and glorify God's character of love, grace and righteousness. Guard your heart and mind in the love of God. Let the peace in your heart be the umpire.

2008.09.13 - Interpretation of tongues

An eternal inheritance, says your Lord. Because I love you, I have provided, I have established, consecrated even, an eternal inheritance for you at My side. My love for you extend all bounds of your comprehension. My joy and My favour towards you are beyond what the human mind can conceive or understand. The plans I have for you are above anything you can imagine. The things laid up for you in the heavens are so great and marvelous that nothing on this earth can ever compare to it. And no sorrow and no misfortune and no trial and no difficult thing on your path can ever compare to the joy, to the greatness of My grace that I have laid up for you. And every difficult thing in this life that you have gone through will I, even I - your God, your Lord, your Saviour, your King - will I recompense to you hundredfold. I have said this many times and I say it again: I really love you. You need not deserve it, you must not try to deserve it, you must not think in terms of whether you deserve it or not. That is not My desire. My desire is for you to respond to My love and to love Me right back. And I will lead you through and I will take you by the hand and I will lead you on to the finishing line of your race. I will lead you on into victory so that you shall be by My side forevermore. Nothing this earth can offer, nothing this world can offer can compare at all with your inheritance in Me. Be careful to not lose your inheritance by deeming things of this world to be important, but do all unto Me with a total heart of dedication and in this way will I complete what I have started with you and will you receive a full inheritance. I love you, says the Lord. Peace to you.

Behold, My children, says the Lord, My day is at hand and I shall thoroughly purge this earth of all its evil and I shall bring on a new day of glory and of joy and of righteousness. And I shall be King over all the earth and My Lordship shall be known unto all the heavens. And I shall set right what is wrong. I shall cast out darkness and death. I shall certainly, completely, totally make all things new. Do not doubt that this is your destiny, My children. Do not doubt that I have called you to be part of My cleaning-up operations. Do not doubt that I still have a day of praise left for this earth and I've destined you to be part of that, to be bearers of My grace, to be there as channels of My goodness and My message and My power. So, My children, LET NOT YOUR HOPE GROW DIM! Pick up the weak knees and the trembling heart and go on with a firm step for My word shall surely come to pass. Do not doubt your destiny, do not doubt the situation that you are in and let it not cause you to lose hope. I am with you, I am for you and I shall complete what I have started in your lives. So, peace to you, My children, and have joy in Me and have joy in what is coming very, very soon. I love you, says the Lord.

For the day of the Lord is coming and it's burning like a fire. Let your focus be turned to My coming kingdom. Let your attention be fixed upon My glory to come. Let your joy exceed in the knowledge of My victory and be not saddened because of all the turmoil on the earth, because of falsehood and wrongdoing for the day of My vengeance is near and My righteousness shall supercede all the present unrighteousness and My glory shall be affirmed unto the heavens. Behold, I have made you Mine and chosen you as part of My army of victory. I have consecrated you, given you a new name, given you a destiny at My side. Receive these promises. Live by them, full of joy not full of fear, full of the peace of My presence and My calling on your life, of My destiny that I have for you. Be not afraid of the threats of this world. Satan is cringing before you and you are victorious over him in My Name, for when I am with you no power of the enemy shall stand against you. But be patient, My children, be patient, for everything has a perfect time and a perfect place. I will not allow you to mess things up by being in control of this time, but I understand because I've been a man with all the weakness you have. Therefore be patient and wait upon Me in trust. Trust Me in My timing and in My planning. But know this once again that great and glorious things are awaiting you if you keep on trusting Me and if you keep on focusing your lives and your attention and your hope on Me. I love you, each one of you, says the Lord.

2008.07.26 - Prophetic Words

Oh, My children, I have extended My never ending love over you. I have extended My ever present Fatherhood over you. I have become your Saviour and I save into all eternity. I have made Myself known to you and I have made you Mine and I never, ever forget that you are Mine. And never, ever are you separated from My loving Fatherhood. I see you, I know you, I care for you and I am with you every moment,

everywhere. So trust Me and do not despair. Walk the road I've given you even though you do not understand it. Keep faith, know that I am there with you, especially in those moments when it doesn't feel like anything. Let your faith be tested. Let your faith and trust in Me be tried that it may be to praise, honour and glory at the coming of your Lord. So therefore, My children, I extend My peace and My goodwill and My true, sincere, deepest love over you. Rest in Me and receive this peace, says the Lord.

My children, I have made known unto you that My coming is at hand. That fact has not changed. I will not tell you how long you have to wait, I will not give you the date, but know that My coming is at hand. Do not forget about it, do not neglect this important thing. Those who wait upon Me shall receive new strength. They shall fly like the eagles. And I shall receive you unto Myself and you shall be partakers of My glory and enjoy that we shall do all things together from that point onwards. Do not let your hope waver, I am coming to you. I have made this known in many ways and many times. Keep waiting. It does not matter if you wait for weeks or months. Keep waiting, because My plan is perfect and the reasons I have for you to wait are not for you to understand now but later on you shall, says the Lord.

There is a great, great harvest to come and it is close by. And you, My children, are destined to be part of the harvesters.

Keep faith, says the Lord, and do not fear. Every word I have ever spoken I will fulfill.
I am coming! I am coming! I am coming soon!

Wag vir My tyd. Wag vir My plek. Wag vir My geleentheid. Wag vir MY. EK KOM!

2008.04.26 - Interpretation of tongues

My children, let not your hope grow dim, let not your focus be moved away from My calling and My destiny for you. Let not your faith waiver at what you see and think you understand, but let your hope and your faith and your love be fixed in the truth of My reality, in the truth of My love for you, in the truth of My sincere and utter devotion to you. Understand and accept by faith My attitude of grace and of mercy and of joy towards you. Understand this thing: that I long to be united with you more than you long to be united with Me, and that My plans are perfect and My timing is perfect, and that I know that your hearts are calling out to Me with great passion and I hear the calling of your heart. I hear what you cannot even put into words, and I listen and I care and I do not allow it to pass Me by. I AM the Bridegroom Who bought you with His very own life and Who is coming to fetch you to be with Myself. I love you!

I love you! I love you! How I love you, My bride! How I rejoice over you!

My children, again and again will I tell you, once again will I reaffirm My love towards you, will I reaffirm My friendship towards you and do I affirm My good intentions towards you. Once again will I tell you that I have good plans for you, not bad ones. Once again will I encourage you to run this race right to the end, to set your eyes and your heart on Me, to refuse to be misled by the enemy and to take up other interests that will take your heart away from Me. Whatever you do, do it unto Me and unto Me only. These, My children, are serious times. My coming is at hand. Therefore, be ready and waiting for your Master is at the door. Do not be caught unawares, do not become busy with things of this world in such a fashion that it will take your heart and your mind away from Me. 2008.03.23 - Interpretation of tongues

Oh, My beloved, have I not carefully chosen every one of you? Have I not known you even when I hung on the cross? Have I not carefully protected you in all of your ways? Have I not supernaturally kept you from death and injury when Satan, My adversary, would have it otherwise? Have I not dedicated My attention to you and to those things that concern you? Have I not loved you right from the start? Shall I ever stop loving you? Your destiny is with Me. Be assured of this thing - that My longing for you is greater than your longing for Me. Be assured that I am not about to leave you in the lurch, that I am not about to bring you to excitement and then leave you, that I am not about to stop things halfway through birth. I am not about to frustrate you and to test you beyond what you are able to take. My love for you is too great. So know that I have your good interests at heart. Know that I am shaping you and molding you carefully to be the exact object of My pride and of My joy and if it is necessary for another one or two things that need to be added to you, that need to be finalized, for the detail to be brought out - then trust Me with this, then believe Me that I say I love you even though I might subject you to unpleasant things. So know that your future has been secured by My decree, by My choice. Know that you are being groomed for eternal kingship with Me, for eternal fellowship and love towards Me. So allow Me to finish the work and let your joy be full and let your peace be to overflowing because you certainly are in My hands, in the hands of God your Saviour, in the hands of the holy One Who created all things, in the hands of Him Who gave Himself for you. Do not underestimate that I've paid this big price for you - I was willing to pay this price because you are worth to Me this and much more. And I do not say this for you to become proud, I say this for you to realize and to accept - finally accept - My love for you and to rest in My love. Peace to you, My beloved.

Behold, says the Lord, I, even I, am your God. I, even I, have chosen you before you were born and I know you. I, the Almighty, pay full attention to you and to your life. I am involved in everything that concerns you. I know everything you do, I know your every thought, I know your every desire and I know the longing in your heart to meet Me, to be with Me. My children, that pleases Me so much. And therefore you may be sure and you may be certain that I shall not leave that need unattended to, because it is the desire of My heart for you to be where I am. That is why I have given My life - total victory, total victory over all the power of the enemy - total, complete and eternal victory; joy, peace, freedom, healing, never ending fulfillment. Forever shall you be with Me, by My side. And forever shall we have joy and fulfillment in all that we do. So My children, you have no idea what I have install for you. All those things in your heart that shimmer through, where you experience the joy or the desire of creation, of things that you know that would really make you happy, those are the things that are waiting to be fulfilled in totality when you are with Me. What the ear has not heard, what the eye has not seen, what the mind could not conceive have I laid in store for you - things of great joy, of great happiness, of great fulfillment. And therefore My children, I admonish you - set your hearts and your minds on Me that I might fulfill the desires of your heart. I love you.

I love you with such a tender heart and I really mean you only good. Have then peace in Me. Let go every fear. Do not listen to the lies of the enemy. I AM for you, I AM with you and I do love you!

My children, I speak to you as to My precious ones. I speak unto you with the true love of a Father. I also speak unto you as your Lord, as your King. And both in My Lordship and in My Kingship is My relationship with you one of love and not one of force. My attitude towards you is always one of compassion, is always one of

tenderness, but My children, that does not make Me weak. My Word says, 'Be still and know that I am God'. I will do whatever I please, I will do it when and how and where I please. And even in what may appear unto you as harshness, as hardness - it is always tender love and care. Because My children, I look into all eternity in whatever I do. And therefore accept My ways with you and therefore be quiet in My presence, and therefore really, really trust Me. And even when your mind and your commonsense tell you that what I am doing is incomprehensible and seems to be harsh and without love, then remember these words - that I AM love - I cannot do otherwise and I shall not do otherwise. And therefore rely upon My love, rely upon My tenderness, rely upon My character and also rely and know assuredly that I AM God and I AM the Almighty and I am the One deciding, in the end, everything. I have chosen and I have called you - in all your weakness, in all your smallness. I have called you, individually and as a group with a very, very high calling. I have determined to make you Mine and My children, I have called you to be with Me as overcomers. I have called **you** and I am going to great lengths to prepare **you** to be ready for the day I come to fetch My bride, for the day I come to fetch those who are ready. And many of the difficult things that you have experienced and are yet experiencing in your lives is because I am busy preparing you, is because I am busy loosening you from the bonds of the world, is because I care for you so deeply - for **you** to be Mine. And I have made these choices even before you've ever known Me. So also tonight receive My love, receive My tenderness, receive My presence and keep on trusting Me for I have a good plan for each one of you. I love you.

I will never leave you, says the Lord. I will never forget about you. I will not forsake you. Listen not to the voice of your enemy, because he is a liar from the beginning, he is the father of lies. He will always try to put doubt in your mind. He will always try to portray Me as being unfaithful, unloving, uncaring, even hateful. No, My child! No, My child, I am your ever caring, ever loving Father, Saviour and Friend. I know about everything concerning you. If it seems to you as if I do not do a thing, that is what Satan would want you to believe. Remember that I work in mysterious ways. Remember that I often work in darkness and where you cannot see. In winter time the tree spreads its roots under the ground where you don't see it, but without that happening there will never be any fruit on that tree. Trust Me in My ways with you. Trust Me in the way that I lovingly care for you. Trust Me with every difficult thing that I allow in your path. It doesn't merely happen - because I am God it happens by design. Never feel yourself, **never** feel yourself forsaken by Me, because I have promised that I will never forsake you. So take hold of this and cling to this truth no matter what. Rather believe what I tell you than to believe the silly voice in your own mind telling you otherwise. Rather believe the truth that I've given you than to believe the reasonings of your own mind which is very puny indeed. My ways are so much higher than your ways. And even so, My child, My love for you is so much higher than you can ever imagine. So wait for it, allow Me to do My work, and wait for the glory that will follow if you submit to My workings in you. So remember that I shall most certainly never leave you and never forsake you. I am forever your loving, caring Father, Saviour and Friend.

My children, I am the God of eternity, I am the beginning of all things. I am the One Who has known you before you were born. I have known all things about you, also those things that are yet to happen. And I am your Lord Who declares unto you that I love you. Having known all about you have I given My life to set you free. You are the joy that was set before Me when I endured the cross. I never ask from you to be worthy of Me, but I do ask of you to love Me. I never ask from you to be special and perfect, I do ask from you to be faithful unto Me - always. I never ask from you to know all things, you may even know very little. What I do ask from you is to learn to know Me, to learn to know My character, to study My Word, to spend time with one another to learn Me, to know Me. And then you shall never insult Me by attributing things to Me that I will never do. I will always be true to My Word. I will always be true to you, because I love you. I will never play games with you, because I love you. I will never say one thing and do another. Learn then to trust Me fully in My love for you, learn to trust Me fully in My faithfulness towards you. And you be faithful unto Me and

don't forget I am your Lord and your Master, but not only that - I am your Friend, I am your Bridegroom Who is coming very soon to fetch you. And therefore I say again I ask from you these three things: love Me, be faithful unto Me and learn to know Who I am. And then you shall be able to stand against the wiles of the devil and then you shall complete your journey on earth successfully and then you shall be ready when I come to fetch you, says the Lord.

2007.11.17 - Interpretation of tongues

My child, I have not forgotten you, I have not forgotten about you. I know the totality of the circumstances you are in and there is nothing that can happen with you or to you or through you that I cannot arrange to the minutest detail. I am not the author of bad things, for I am a good God. Everything I do is good and one day soon you shall look back on your life and see it, but now you cannot understand it. You are not even supposed to understand. What I desire from you, My child, is faith - incomprehensible to the mind, madness to the world - but utter reckless faith in your loving God, your loving Father, your loving Master and Friend. So My child, know that I have not forgotten about you and I never, ever shall. Every circumstance in your life will I use, will I apply to My glory, but it shall be unto you an eternal gain and joy. Very soon you shall jump for joy and you shall thank Me continuously for every hard thing I've allowed in your life. Yes, My child, what I want from you is to even now rejoice, also for the hard things in your life. Do not try to understand, just love Me and know that I have not forgotten about you. Know that I am involved in your circumstances. Know that I am the author of good things, not bad things. I shall carry you through and I shall not allow any test to be above what you are able to do. I love you, My child, and I am with you always as your Almighty Friend.
Peace to you.

Behold My children, yeah I have become a Father unto you and I have fore-ordained you from before the foundation of the world - even then I have known your name, each one of you, even then I have known the paths your lives would take. My children, you cannot comprehend these things, not yet, but wait and you shall, because I will lift you to heights never known before, I will lift you to walk with Me on the holy mountain, I fore-ordained each one of you to be Mine into all eternity, and I shall equip you to be like Me and to understand things like Me. Then you shall understand that it is easy to know the future in advance, then you shall understand how I loved you from the start, having known all your life. Know then, and know assuredly, that each one of you is well-known by Me, has been from ever since and shall be for evermore. Know that you are cared for by the Almighty. Know that you are never alone. Know that you need not fight life's problems, you need simply trust Me. You need to be reckless enough to let your own understanding go and to trust Mine instead. You need to really trust and love Me. So bow before My ways, accept My ways for you and do not accept the lie from the enemy that My way for you is born out of hate or out of neglect, for it IS born out of love. Once you understand My love is endless and will never stop and will never be separated from you, then you can understand that even though you don't understand what I'm doing you can understand that it is done in love. Then you can trust Me and then the victory shall be assured. My children, I say again unto you, I love you, each one of you. I know your names, each one of you. You are precious to Me, every one of you. Just love Me in total trust, abandoning your own understanding, clinging to Me like a small child does to his father. I have great plans for you which I am about to put into effect. So take this step of total trust so that I might attain the fullness of My plans and purposes in your life. Thus says God, your Father.
